REQTEQ رق طق " pronounced properly ! "

is a multi-instrumentalist producer, composer and live DJ performer .

Known as the Moroccan music wizard, he developed his own signature sounds overtime by combining inventiveness and madness in music, bewitching his listeners.

From the tribal morrocan/afro drumbeat, to the groovy world of Chicago House and the fiery spirit of hiphop, REQTEQ's inspirations & creations navigate through a wide range of styles.

Reqteq's background in computing sciences and coding inspired him to embark in the journey of collaborating with visual artists to create live video mapping on historical buildings such as Casa Voyageurs & Villa des Arts Casablanca
